Sir,

I have the honor to state that in the tour notes of Mr Stewart the Traffic Manager of the Southern Mahratta Railway and Mr Groves Secretary to the Government for Railways in Connection with the extension of Railway towards Mangalore, the Construction of a Cart-stand at Arsikere is very much urged, on the ground that at present no accommodation is available there for Carts and Cartmen. It is true that many Carts stop at all times on account of transporting goods to and from the Railway Station.

2. The municipal income of the Town

being very limited as has already been brought to the notice of Government in the memo accompanying the Budget estimates of the next year the Construction of a Cart Stand could not be undertaken out of Municipal Funds. The station is rising in importance and additional accommodations are therefore very necessary.

3. I would under the above circumstances urge that Government be pleased to sanction the construction of a Cart Stand out of the Provincial Funds at an early date, as the building is for the use of the public in general.

I have the honour to be,

Sir,

Your most obedient Servant
